We don't have any concerns regarding sharing the schedule with ARC. Actually, Our tech team have already been sharing the schedule with them as updated monthly. Most recent update was shared with stakeholders including ARC on 9/2.

Thanks. Angeles

Angeles,

I am sending this e-mail to ask if it is ok with EPA if we share the attached site schedule with Atlantic Richfield. We can indicate it is draft or put whatever provisos you would like on it.

Thanks,

Greg
